PHILIPS
sense and simplicity

Highlights

Length setting LED display

A LED display shows the range of lengths for easy selection and setting

Adjustable guide combs

Easily select and set your desired hair length without the hassle of having to change attachments.

Battery indicator

A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

Contour-following comb

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

100% washable

Conveniently washes under the tap for a thorough clean.

Luxury storage case

Safely keep together your product and accessories in its luxury case. Includes a styling comb, scissors and a cleaning brush.

Skin friendly

The rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable experience.

Quick charge battery

The lithium-Ion battery is fully charged in 1 hour and provides constant power for up to 60 minutes cordless use.

Corded and cordless use

For flexibility and convenience the headgroom can be used with or without the power cord.

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.
